Ride into the Prosperous Year of the Dragon with Divine Treasures and Gifts

珍藏祥龙之宝 喜迎富贵之年

Dear friends and collectors,

Greetings from The Singapore Mint!

Very soon, we will usher in the year of the Dragon and send away the Rabbit. An ancient mythical creature that epitomises prosperity and good luck, the Dragon is expected to bring happiness and success to all.

To welcome the year of the Dragon in abundance, The Singapore Mint has introduced an extensive array of coins, collectibles and gifts. Traditionally, accumulating gold and silver in the lunar new year is akin to storing and growing wealth for the year ahead. The Singapore Mint has followed this tradition and rolled out an extensive range of gold and silver coins and collectibles to cater to the bumper year of the Dragon. We have also included a wide selection of Dragon collections from other countries and with so many options, I'm certain you will find something you like and also the best presents for your family and friends.

To give our members better value on top of the discounts received and priority ordering of our items, from 1 January 2012, members can bring along a friend and be given free access to our Singapore Coins and Notes Museum in the year 2012. With the shift of the Museum to the ground floor on 40 Pagoda Street to facilitate access, do make a visit to our brand new Museum with your family. Additionally, it is now easier for you to get timely information on our upcoming product launches. Simply visit our internet site (www.singaporemint.com) and new media platforms such as Facebook, Twitter and iPhone app!

Lastly, I strongly believe that coin collection is open to all ages and encourage the young to take up coin collection as a hobby. You will find each of these intricately minted coins and the stories that encapsulate it both intriguing and keepsake-worthy.

On behalf of the Management and Staff, I wish you all prosperity and joy in the year ahead!

Macau Lunar Dragon 澳门生肖龙

The new Macau lunar coin series (2008 – 2019) issued by the Monetary Authority of Macau and exclusively minted and marketed by The Singapore Mint, draws from the richness and diversity of Macau's distinctive culture where East meets West.

The fifth coin in this lunar collection features the Chinese Dragon on its obverse and The Senado Square - one of 12 selected sites in Macau listed as a UNESCO World Heritage Site on its reverse.

Traditionally, the dragon is a symbol of nobility, a sacred emblem used solely by the Emperor. Powerful and heroic, it is also seen as a protector, warding off evil spirits.

As a reference to its significance in Chinese culture, the dragon is presented on the obverse in a Chinese calligraphy style. The bold curves of the dragon's body actually follows the fluid strokes of how the Chinese character for '龍' is written in calligraphy.

The dragon resides in the heavens and this celestial connection is accentuated by the oriental cloud motif on the obverse. The right half is coloured in three vibrant hues, adding a stylistic element which complements the contemporary design of the coin. Clouds add to the auspiciousness of this coin as they represent good luck. Repeated in a continuous pattern, the clouds form a blanket of endless fortune.

Macau's famous Senado Square, listed as a UNESCO World Heritage Site is depicted on the reverse of the coin. Emanating a convivial atmosphere all year round, this popular tourist hotspot is also where major events and celebrations are held. Neo-classical buildings painted in cheery, pastel colours line the streets, creating a Mediterranean feel. The pavements paved by Portuguese craftsmen with colourful pebbles in a wave-like pattern

are a distinct reminder of Macau's Portuguese heritage.

The Macau Lunar series has been very popular with many of the past issues being sold out. Therefore we expect to see a sellout of the Macau Lunar Dragon coins this year too. So hurry now and grab them before they are gone!

由澳门金融管理局发行，新加坡造币厂独家铸造与销售的崭新澳门生肖纪念币系列（2008 - 2019）将把澳门独特文化完美呈现出来。东方生肖铸刻于纪念币正面，反面则是澳门十二个获联合国教科文组织列入世界遗产的地标建筑。2012年壬辰龙年纪念币将澳门文化刻划得淋漓尽致，也是生肖纪念币系列的第五枚。

自古以来，龙既是贵族权势、力量、尊荣的象征，更是当时唯有皇帝方可使用的神圣标志。除为贵族象征，龙亦因其正气威赫之势而被视为驱逐邪恶力量的强大守护者。

龙于中华传统文化中持有重要象征意义。为此，纪念币以中华书法篆绘龙于正面。龙身更以雄健洒脱之笔势，根据“龍”字笔划一笔勾绘而成。

纪念币正面层祥云刻划出龙翱翔天上人间之意，祥云属好运气，象征增添吉祥之意；重叠重复的祥云更是构成代表连绵不断、无止境富贵如意云海。纪念币右侧的三种亮眼色调亦为此纪念币增添时尚感。

纪念币反面铸刻着联合国教科文组织列入世界遗产地的著名澳门议事亭前地。全年洋溢欢乐气氛的华丽欧洲风广场，既是热门旅游景点，亦是举行盛会、节庆庆祝会的场所。街道上色彩柔和、赏心悦目的新古典主义欧洲特色建筑，更带出了迷人地中海风情。

澳门生肖纪念币系列自发行至今，年年都有销售一空佳绩。因此，我们预计今年发行的2012年壬辰龙年纪念币也会很快售罄。请别迟疑，今天就赶紧购买，以免向隅！

These coins come in two designs featuring two native orchids – *Cymbidium finlaysonianum* and *Grammatophyllum speciosum*. This special feature further accentuates the splendour of the beautiful blooms.

World Buddha Heritage 世界佛教文化遗产

Leshan Giant Buddha of China (4th Issue)

中国—乐山大佛

As the world's largest seated Buddha carved in stone, the imposing Leshan Giant Buddha statue is selected as the focal point of the 4th coin in the World Buddha Heritage series. This magnificent religious relic featured on the obverse of the coin is an important artefact that has withstood the test of time. It is chosen for both its religious significance on Buddhism in China as well as man's ingenuity at a time when tools were limited.

Located where the Minjiang, Dadu and Qingyi rivers converge, the image of the Buddha carving on a cliff face was a project pioneered by a monk named Hai Tong in 713 AD. He believed that the presence of a Buddha would help improve the situation of bad weather and raging waters that was plaguing the lives of the villagers.

Apparently, this project which lasted 90 years resulted in a tremendous amount of material from the cliff face being deposited in the rivers below. This led to gentler currents and safer waters for passing ships.

Besides its religious and historical significance, the Leshan Giant Buddha is also celebrated as an architectural marvel. Towering at a height of 71 metres, each foot is large enough to accommodate 100 standing people and the shoulders are as broad as a basketball court. 1,021 intricate buns form the Buddha's coiled hair. Cleverly hidden gutters and grooves found throughout the statue drain rainwater, reducing erosion and preserving its façade.

Buddha's exceptional aura which manifests as an emanating glow, is skilfully depicted on the coin. When the coin catches light, dazzling rays appear to radiate from the Buddha, bringing great blessings.

As a complement to this strong and sacred icon of Buddhism, the Khorlo (Dharma Wheel) is featured on the reverse of the coin. Rendered in full colour on the silver coin, the Khorlo symbolises Buddha's teachings and the turning of the wheel is an allegory of spiritual change brought about by Buddha's teachings. The eight spokes of the wheel represent the Noble Eightfold Path which is a code of conduct following Buddha's teachings to a life free from suffering and leading to enlightenment.

The rich historical, cultural and religious significance encapsulated in this coin makes it a valuable addition to any collection.

作为世界上最大的石刻坐佛，峻极宏伟的乐山大佛佛像被选定为世界佛教文化遗产系列中第四组纪念币的焦点。纪念币正面完美呈现气魄雄伟，并见证了时间考验的乐山大佛。此纪念币代表着佛教在中国的重要性，以及工匠们的智慧。

据记载，当年由于岷江、大渡河与青衣江三江汇流之处水势湍急常令往来船只触壁反覆，凌云寺名僧—海通僧人见状甚为不安，遂望借佛力镇水而发起募款凿制弥勒大佛之念。大佛并于公元713年开凿，历时90载完工。

由于该弥勒大佛乃依山峭壁凿制，工程进行之际造成的大量石块坠落江流确实减缓了湍急水势，遂令往来船只得以安全渡过该处。

除了其丰富历史与宗教意义，乐山大佛更可称得上为一大建筑奇迹。佛像身高71米，脚背可立百人，肩宽达一篮球场之长，头部更凿有1,021螺髻。巧妙分布设置并隐藏于佛像上的排水沟与沟槽组成排水系统将雨水导离，进而防止佛像遭受风化侵蚀并保存其外观轮廓。

此纪念币以精湛巧妙的铸币技术铸造而成，并借助折光原理令纪念币在接触光线之时，会自佛像折射出独特耀眼光芒。

为让此强大且神圣之佛教象征更添完整，佛教古老标志—法轮亦为铸刻于纪念币反面。

以全彩色印制于银币上的法轮象征佛教教育，而转动的法轮意味着佛教教育给予精神上所带来的改变。法轮上的八个辐轮代表了八正道，据佛教教育既为通往无邪念烦恼、无难之光明正道。

此纪念币所浓缩、集中之丰富历史、文化与宗教教育精髓，绝对能为您收藏增添价值。
